## PRINCE ALBERT

the national joy smoke

YOU'LL find a cheery howdy-do on top no matter how much of a stranger you are in the neck of the woods you drop into. For, Prince Albert is right there—at the first place you pass that sells tobacco! The toppy red bag sells for a nickel and the tidy red tin for a dime; then there's the handsome pound and half-pound tin humidor and the pound crystal-glass humidor with sponge-moistener top that keeps the tobacco in such band-up trim all the time!

in goodness and in pipe satisfaction is all we or its enthusiastic friends ever claimed for it!

It answers every smoke desire you or any other man ever had! It is so cool and fragrant and appealing to your smokeappetite that you will get chummy with it in a mighty short time!

Will you invest 5c or 10c to prove out our say-so on the national joy smoke?

## Mayland

Several of the boys are in from Maryville. Some expect to return in a day or two.

The Mayland and Monterey ball teams crossed bats on the Mayland diamond Saturday, resulting in victory for Monterey. The Mayland boys are

not in the least discouraged, this being their first contest. They displayed a skill that speaks well for them and left the impression that others had better watch their points hereafter.

Otaway Parrett and family, of Monterey, were in town Saturday and Sunday.

B. H. Newman and wife and son came down from Crossville Sunday afternoon. Rev. Will H. Freeman, of Mt. Juliet,

was in town during the week. Mrs. Boyd Nicholson has returned to live with her father, G. W. Johnson. Mr. Nicholson died following an operation in the hospital some weeks ago. They lived at Maryville.

Mrs. James T. Seils is very ill at present.

Rev. B. S. Oakes is quite sick, being unable to attend church Sunday.

This property is fully described in the aforesaid decree, and also in the deed from John Q. Burnett, Trustee, to W. C. Collier, Trustee, registered in Book "W," pages 173 and 174, of the Register's office of Cumberland county, Tennessee, to both of which records reference is here made for full description. Said real estate will be sold on the following terms: A credit of six months will be given for an amount of the purchase price equal to the sum of \$6,519.14, with interest from March 14, 1916, to the day of sale, together with the costs of this cause; and credits until the 14th days of March, 1917, 1918, 1919, 1920, 1921, and 1922, respectively, each for one-sixth of the residue of the purchase money; notes of the purchaser or purchasers, with good security, and bearing interest from the date of the sale to be taken for said purchase money, and a lien retained for the payment on said property. ## AVOID SPRING COLDS.

Sudden changes, high winds, shifting seasons cause colds and grippe, and these spring colds are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr. King's New Discovery, a pleasant Laxative Tar Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. Its already prepared, no mixing or tussing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for 40 years. 3.

## Burke.

Mrs. Olive K. Barnes, of Crossville, is visiting Miss Mabel Thurman.

Miss Kate Davis, of Crossville, is visiting relatives here.

Fred Davis was in Grassy Cove Saturday and Sunday visiting his aunt, Mrs. Hayden Oakes.

Tom Sherrill and Edgar Thurman made a trip to Hales Chapel Saturday. Several people are gone from here to Rhea to pick strawberries.

Ira Thurman went to Grandview last week.

Mrs. Sam Hinch is in poor health this spring.

Rev. Dagley filled his regular appointment at Parham's Chapel Sunday.

Herman Hinch recently had the misfortune of losing his home in Swagerty Cove, by fire, which consumed his dwelling house and most of the contents. It is supposed the fire started from a defective flue. The same week Mrs. Sarah Houston lost her house and entire contents by fire. She saved only the clothing which she and her two daughters were wearing. They were in the field at work when the fire occurred.

We will have some fruit here this season, but the cold weather has cut it down considerably.
